School Review

Every 4 years schools are required to undertake an external School Review. A team of Lead Reviewers will come into our school for 4 days and talk to our staff, parents and students. They look at our programs and effectiveness of our teaching and learning. The review team then use this information to make recommendations of how we might improve our outcomes for students.

Our review is scheduled for Monday 8th to Thursday 11th. Our review team consists of:

ACER Lead Reviewer, Ron Bamford, Principal from Western Australia

NT Lead Reviewer, Lisa Hirschhausen, Principal of Manunda Tce Primary School

Co Reviewer, Donna O'Brien, Principal Gillen Primary School, Alice Springs

We are very excited to share Gray School with the review team. If you see our special visitors in the school please make them feel welcome and part of Team Gray.
